## MAP TO FARM

### TERMS & CONDITIONS

**TERMS:** Terms of this sale are cash or good check with proper I.D. unless other arrangements are made prior to sale. Out of State buyers **MUST** have a bank letter of "Guaranteed Payment" on file with sale management prior to the sale. Satisfactory settlement must be made with the clerk immediately after the close of the sale. No animals will be released from the premises without a signed release from the sale clerk. All animals are at the purchasers risk as soon as struck off.

**BIDS:** The highest bidder will be the buyer. In case of a dispute the animal shall again be put up for advance bids and if there are none, the animal shall be sold to the person whom the auctioneer on the stand accepted the last bid. In case two or more claim the last bid, the auctioneer in the box shall indicate the party whose bid he recognized and other claimants will be given the opportunity to increase their bid. In all disputes, the auctioneers decision is final.

**HEALTH WARRANTY:** The results of any future health test is not guaranteed. No animal is warranted to be free of Johnes or any other infectious disease. Dry cows have been dry-treated unless otherwise announced, handle them accordingly. For animals that travel outside of Michigan, and into Northeast Michigan the buyer will be responsible for the legal importation of cattle into that state.

**ERRORS:** The material printed in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over printed material. This information is provided by the owners and DHIA Records and is believed to be correct, however, it is not guaranteed.

**GENERAL:** It is the intention of the owners and the sale management to represent and present these animals in their present condition, however, you are purchasing them on an "As Is" basis with no warranty, expressed or implied. No adjustments will be made after the animal(s) leave the sale site. Females announced as pregnant were found to be pregnant by a licensed veterinarian on the date announced. No guarantee is made or implied that the pregnancy will go full term. Cattle that are sold with a natural service date are as accurate as possible, although they are not guaranteed to be exact. United Producers, Inc, nor the owners (DANSBY DAIRY, LLC) are responsible for accidents.
