

MARKET REPORT

MARYVILLE, MO

Market Report for Tuesday, February 2, 2010. We had 2,449 cattle for this sale. Slaughter cattle 2.00-4.00 higher. Cows 42.00-55.00. Thin Cows 30.00-40.00. Bulls 52.00-62.00. High dressing up to 68.50. Feeder Market 1.00-3.00 higher. Cattle evenly distributed between 6 major buyers with several others nipping at their heels. Very good sale! New USDA cattle inventory report shows cattle numbers at the lowest level since 1958, with major feeder cattle supplies this low and cow liquidations running at full speed the market should get explosive. It's just a matter of time.
