All female calves will be guaranteed open, and all male calves will be guaranteed to be castrated (two testicles removed). If bred heifers or bulls (one or more testicle still present) are found and verified by a veterinarian within 60 days of the sale, \$200 per head plus vet fees will be paid by the seller to the buyer of the cattle. Calves must retain the Yellow Tag for the guarantee to be valid.

Cattle verified by this document are ear tagged with UPI Yellow Tag Program ear tags numbered from

\_\_\_\_\_ to \_\_\_\_\_.

By signing this document the cattle owner acknowledges that vaccines and other products were administered and handled according to instructions on the product labels. In addition, the cattle owner dismisses UPI from any liability for improper use or handling of these products.
