TERMS AND CONDITIONS

GENERAL

1. By Participating in the auction, buyers and sellers expressly agree to adhere to the Terms and Conditions set forth herein and to the provisions set forth in the Video Cattle Marketing Contract.
2. Terms and Conditions of the sale are printed in sale catalog; however, announcements from the auction block take precedence over printed material.
3. All buyers and sellers who are not present at auction but who participate in the auction by any means shall be deemed to have authorized United Producers, Inc. to sign the Video Cattle Marketing Contract on their behalf.
4. Cattle are graded and identified as to breed, muscle score, frame size and flesh.
5. Cattle are available for viewing the week of the sale. Buyers wanting to see any lots should call United Producers, Inc. to schedule.

PRICE SLIDE

Based on advice from USDA Market News Service and/or U.T. Extension, the recommended price slide will be listed on each lot sold. Every effort has been made to give our best estimate on all weights.

Unless otherwise stated in individual lot sale conditions, Cattle 50 pounds or less over base weight will slide heavy side only at listed price slide.

Cattle will have a 50 lbs. weight stop unless otherwise noted.

WEIGHTS AND WEIGHING INFO

1. All weights given are best estimates as determined by United Producers, Inc. personnel, and consignor. Every effort has been made to be accurate; however, **no guarantee is offered on the estimated weight or range.**
2. **A 36 HOUR NOTICE IS REQUIRED FROM BUYER TO UNITED PRODUCERS, INC.** TO LOAD CATTLE. Cattle will be delivered per weighing conditions described in the catalog for each lot. Sellers will deliver all cattle consigned unless prevented from doing so by reasons beyond their control.
3. Unless otherwise stated or negotiated, Cattle must be picked up within 10 days of the sale date. Sundays are not available for delivery. All scheduled weighings are to be arranged through United Producers, Inc. with proper notice.
4. Cattle will be weighed and loaded by United Producers, Inc. employees or representatives. United Producers, Inc. will cut out any blemished or unmerchantable cattle with agreement of buyer and seller. Cattle will be weighed when all consigned cattle are at the scales or per catalog write-up if different.

OPEN HEIFERS

Unless otherwise provided in writing, heifers sold **are not** guaranteed open.

PREGNANCY CHECKING OF HEIFERS

Sellers may, at their discretion, allow a buyer to have the heifers they are purchasing pregnancy checked. If heifers are pregnancy checked, they must be checked at the Seller's Farm or at one of UPI's shipment facilities. Otherwise, buyer accepts heifers "as is".

NO SALES

Seller reserves the right to reject bids. In the event of a "NO SALE," the last bidder will be paid \$1.00 (one dollar) per head by the marketing agency, and the seller will be charged a fee of \$3.00 (three dollars) per head.

BINDER FEE

United Producers, Inc. retains the authority to charge the buyer a binder fee of up to \$50.00 per head for each lot bought and to apply toward purchase of said lot, due upon request by United Producers, Inc. Buyers present at sale may pay this fee at the close of sale. Others may pay this fee within 3 days of the applicable sale date. A failure to pay the required binder fee will be considered a default.

SETTLEMENT

All sales are due and payable immediately upon weighing of livestock and receipt of invoice. It is further expressly intended, understood, and agreed that this is a cash transaction.

TITLE AND LIABILITY

1. Title and ownership of the cattle do not transfer to buyer, notwithstanding delivery or possession, until the purchase price is paid in full and all funds are collected.
2. Liability for loss of the cattle transfers to buyer at the time cattle are weighed or loaded onto truck whichever occurs first.

WARRANTIES

The parties expressly agree that there are no warranties express or implied on any cattle listed or sold. All cattle are sold “as is.”
