TERMS & CONDITIONS

2024 PHOTO RAMA TERMS & CONDITIONS

1. All cattle are sold F.O.B. (freight on buyer) from the farm.
2. All cattle are weighed on certified scales.
3. All trucking will be arranged by United Producers and paid for by the buyer
4. Lots of less than 20 head will be sold with a \$3.00/cwt freight adjustment.
5. Cattle weighing over the sale weight will be priced based on a slide. **NO SLIDE WILL BE USED FOR CATTLE WEIGHING**

UNDER THE BASE WEIGHT.

Slides differ with every lot, and we encourage you to pay close attention to how much slides have increased this year, to be more fair to our buyers. If cattle weigh more than 100 lbs. over or under their base weight, buyers have the right to reject.

6. All cattle will be sold with a 2% pencil shrink on the truck to determine pay weight. (Some exceptions, see catalog notes.)
7. All heifers are guaranteed to be open. UPI representatives must be notified within 24 hours of receiving if proven otherwise.
8. All steers are guaranteed to be steers. UPI representatives must be notified within 24 hours of receiving if proven otherwise.
9. All announcements made the night of the sale will take precedence over printed material.
10. Consignors will be responsible for providing health papers for cattle sold to out of state buyers.

OUT OF STATE BUYERS

It is YOUR responsibility to check with the states you may wish to ship cattle to, prior to the sale. Cattle are being sold with **NO GURANTEES** on acceptability for inter-state movement.

GET THE EDGE WITH A TRUSTED AG LENDING PARTNER

We are a full-service agricultural lender, with a team who understands the unique challenges often involved in agricultural and livestock lending. We have been a trusted, reliable source of financing for the family farm for more than 90 years.

We specialize in financing the following areas:

Livestock Loans: Short-term loans for livestock and other options to expand your breeding herd. We offer both revolving and annual lines of credit, with payment schedules that can match the timing of your livestock income.

Real Estate Loans: Competitive rates to refinance an existing real estate loan, to purchase a new farm, or to purchase other agricultural real estate. We also offer financing for contract livestock buildings.

Operating Loans: Funding to support general farm operating expenses and crop production.

Ag Leasing: Whether you need equipment, irrigation, a new farm shop, grain storage - virtually any non-real estate asset for your operation - our new lease program is a great option.
